Fresh PRODUCE

We take pride in our produce!

We've been diligent and intentional in sourcing out local produce suppliers, not only from the greater Toledo area, but from our neighbors up north in Pure Michigan. Daily supplies from the Detroit produce market and local Toledo area farmers will give us the ability to provide our customers with the freshest produce possible.

From the Sofo Family,
to our community...

Our Honor, Our Responsibility

At Sofo's we have the honor of getting to do something wonderful, we get to feed people. With that honor, comes the tremendous responsibility of care for our customers and our team members. All of whom we view as family.

That concern is part of our everyday life here at Sofo's and is highlighted in the times we now all share in. It's more than making sure we have quality products, it's making sure you can shop with confidence in our store. It's knowing everyday we do everything we can to keep you and our team members safe. Even with our high standards, we've increased our efforts due to COVID 19.

Below are some of the things we do to make sure you can buy the quality products you want, safely:

- The store is sterilized frequently throughout the day.
 - This includes counter tops, cash register areas, and other surfaces frequently touched by our customers and team members.
- We clean all our slicing, baking, and preparation equipment and areas many times throughout the day.
- 13 sanitizing units are located throughout our store for our customers to clean their hands.
- Gloves are worn by all team members, and glove safety programs for handling are emphasized in frequent training.
- Carts and baskets are cleaned throughout the day
- Jobs are segregated between team members who handle food product, and those who routinely handle cash.
- An outside staff is brought in several times per week to clean our entire facility.
- Any team member who feels ill is required to stay home.

There are many more things we do to help ensure the safety of our customers at all times, but we hope you can feel confident we are doing everything possible, especially now.

Finally, thank you! Thank you for giving us the honor of your business! We look forward to continuing to provide for our community now, and for many years to come.
