HOW TO ***Charcuterie***

Quick Tips:

Quantity: The size of a board depends on your number of guests. We typically suggest 2-3 ounces of meat and 1-2 ounces of cheese per person.

Balance: Unite contrasting characteristics and textures to create composed, harmonious bites.

Meats (Select 2-3)

Set the tone. Start with meat, like Salami and Italian delicacies as the centerpiece of your board.

Color & Crunch (Select 2-3)

A great charcuterie board creates an experience for ALL the senses. Color for a visual showstopper and crunch for an exciting bite.

Cheeses (Select 2-3)

Add a variety of complimentary soft, creamy, and hard cheeses.

Sweet & Savory (Select 2-3)

Sweet will complement creamy cheeses; Savor the mild Salami and enhance the flavors on the board.
